About the Workshop

We are delighted to invite you to our upcoming webinar on the topic "Development of Physical Education and Health Programs in Higher Education Institutions." This event will take place on July 25, 2024, at 1:00 PM. The webinar will bring together experts, educators, and professionals from the field of physical education and health to discuss the current status, challenges, and opportunities in integrating physical education and health programs into higher education institutions. Our goal is to explore the importance of these programs for the holistic development of students, share insights on the latest research and techniques, and discuss effective implementation strategies. Other information related to the webinar is given in other sections of this brochure.
